Group 6 (placeholder)

 bank_login

Group 7: Switch - sip holds Enter, puff holds Space (no Morse)

Hold Enter (while you sip)

Hold Space (while you puff)

No Morse codes in this group. The key goes down the moment a sip or puff starts and comes up when it ends - like two plain switches.

To leave (goes to Keyboard): wait 20 seconds without a sip or puff, or hold one puff for 5 seconds. The screen counts down the last 10 seconds, e.g. "KEYBOARD IN 5".
